👤 About Me

I am a 23-year-old Information Technology graduate from Sta. Clara, Gonzaga, Cagayan. I have completed my on-the-job training in a software company and gained experience in web development, basic programming, and database management. I am hardworking, eager to learn, and looking for an opportunity to grow and apply my skills in the IT field.

💼 Projects

ACCENTHUB OFFICIAL WEBSITE
Role: Frontend Developer 2024 - 2025
Redesigned and converted the existing AccentHub website into a modern, responsive frontend using React.js. Focused on improving user interface, navigation, and overall user experience. Worked closely with the development team at Digital Doors Software Solutions Inc. to implement clean, reusable components and ensure mobile-friendly design.

INVENTORY MANAGEMENT SYSTEM
Role: Programmer/Developer 2022 - 2023
Developed a web-based system using PHP and MySQL for managing asset inventory as part of a team project. Responsible for the database design, frontend, and backend development.

SK RECORD MANAGEMENT SYSTEM
Role: Backend Developer 2023 - 2024
Created an integrated web application using Laravel Framework and MySQL to streamline the management of Sangguniang Kabataan records. Focused on optimizing data storage, retrieval, and user accessibility to enhance record-keeping efficiency.

💼 Internship

DIGITAL DOORS SOFTWARE, SOLUTIONS INC.
Role: Programmer/Developer
Quality Assurance Tester 2024 - 2025
Assisted in web development tasks, focusing on frontend revisions using React.js. Gained hands-on experience in real-world software projects and team collaboration.

💼 Work Experience

ALPHA FORTUNE MANAGEMENT SOLUTIONS INC.
Role: IT Assistant/Surveillance 2025 - Present
Work as an all-around IT staff with any IT-related issues such as basic hardware troubleshooting and CCTV configuration and setup around the entire company building but primarily in Gaming Department.
